Subject: Doodle Poll for Green Chemistry/Product Testing WG Conference Call

Hi all,

Adriane requested that I set up a call. Please complete the Doodle Poll at

If anyone else should be on this call, please forward it to them and copy me so I have contact email.

I will close poll on May 1st and pick the date that most folks can attend and then send a constant contact notice and post to the website with the final agenda.

The following Draft Agenda is proposed for the Call once folks add items that we need to discuss, we can prioritize and assign time. If you have suggestions or corrections for the agenda please send them back to me. Thank you, Diana

Draft Agenda:

Objective: Gather the information needed to provide an update on projects and workgroup planning to the Task Force May 23rd meeting

Attendees: Doug Greenland, Kara Whitman, Michelle Mullin, Saskia Van Bergen, Rob Lindsay, Vikki Barthels, Adriane Borgias, Lauren Heine, Kari Trumbull, Brian Nickel, and Diana Washington

Introductions

Project Updates including deliverables or action items

Future work group meeting discussion (how often, pick day and time, where

Identify SRRTTF Lead –this person will be responsible for reporting out to the taskforce.

Thank you, Diana
